Ask the Expert: How can I maximize my sales and marketing with a limited budget?

For small business owners on a limited budget, maximizing your sales and marketing efforts can be a challenge. One of the easiest ways to grow your business is to build meaningful relationships with your customers, business partners and local media.

This month's expert Ramon Ray, Technology Evangelist, of [Smallbiztechnology.com](#) has compiled seven cost-effective steps that will help you market your business and generate sales.

Abrakadoodle Uses SitePal To Enhance Website

[Abrakadoodle](#) is the nation's leader in creative art education for children 20 months to twelve years old.

The company uses a SitePal custom

New York Times Article "Meet Kate, and Stick Around"

"We called the character 'Kate,' but then our customers started calling it by the same name," said Judy Thornell, the company's customer-relations executive. "We didn't realize that they would develop a personal relationship with it."
